

Power Move 10: MVP as Brand-Anchored Offer Validation

PURPOSE

Collaboration is not networking. It is engineered access. This worksheet builds your collaboration pipeline, then forces clean execution.

YOUR COLLABORATION TARGET (WHAT YOU WANT)

What you want more of (choose one):

- Better buyers
- Faster trust
- New distribution
- Embedded referrals
- Strategic partners

Chosen target:

What you will not trade for access (one sentence):

THE FIVE PLAYER TYPES (PICK YOUR LANE)

Choose the type you need most right now.

- Gatekeeper (controls rooms)
- Guide (controls belief)
- Broadcaster (controls reach)
- Integrator (controls workflow)
- Connector (controls introductions)

Chosen type:

THE ALIGNMENT GATE (DOCTRINE OVER DESPERATION)

If any answer is a no, you do not proceed.

- Values: will I respect myself after this?
- Audience: does this room match my lane?
- Standard: would I trust their work under my banner?
- Message: will my message stay intact?

Decision:

- Proceed
- Pass
